

# OTHER STIPULATIONS TO COACH WITH OUR ASSOCIATION

All Coaches and Volunteers must pass a background check and take a SafeSport course online to be part of our league. Without these two items, you can not coach or volunteer in any way. SafeSport is paid for by the league and is good for a year. It is to help educate against child abuse and other abuses to children. Once you are approved to possibly coach, you will be sent the link for the background check and SafeSport course.
